

This report covers the twelve month period from 1st April 2023 to 31st March 2024, during which time the two divisional offices of TVJB have continued to operate on an appointment only basis.

By adapting our working practices for remote working, TVJB has maintained service delivery for all three functions of Electoral Registration, Non-Domestic Rating and Council Tax.

What is a complaint?

TVJB regard a complaint as any expression of dissatisfaction about our action or lack of action, or about the standard of service provided by us or on our behalf. Complaints are considered under TVJB's two stage Complaints Handling Procedure.

A complaint may include:

- failure or refusal to provide a service
- inadequate quality or standard of service, or an unreasonable delay in providing a service
- dissatisfaction with one of our policies or its impact on the individual
- failure to properly apply law, procedure or guidance when delivering services
- failure to follow the appropriate administrative process
- conduct, treatment by or attitude of a member of staff or contractor (except where there are arrangements in place for the contractor to handle the complaint themselves); or
- disagreement with a decision, (except where there is a statutory procedure for challenging that decision, or an established appeals process followed throughout the sector).

A complaint is not:

- a routine first-time request for a service
- a request for compensation only
- issues that are in court or have already been heard by a court or a tribunal (if you decide to take legal action, you should let us know as the complaint cannot then be considered under this process)
- disagreement with a decision where there is a statutory procedure for challenging that decision (such as for freedom of information and subject access requests), or an established appeals process followed throughout the sector
- a request for information under the Data Protection or Freedom of Information (Scotland) Acts
- a grievance by a staff member or a grievance relating to employment or staff recruitment
- a concern raised internally by a member of staff (which was not about a service they received, such as a whistleblowing concern)
- an attempt to reopen a previously concluded complaint or to have a complaint reconsidered where we have already given our final decision
- abuse or unsubstantiated allegations about our organisation or staff where such actions would be covered by our Unacceptable Actions Guidelines ; or
- a concern about the actions or service of a different organisation, where we have no involvement in the issue (except where the other organisation is delivering services on our behalf)

Complaints Trends:

3 complaints were received during 2023/24:

- 0 relating to our electoral function
- 0 related to non-domestic rating, and
- 3 related to council tax.

The attached Appendix, as required by the Scottish Public Sector Ombudsman, details the number/percentage of complaints closed at each stage, the average time in working days to issue a full response and the complaint outcomes at each stage.

No complaints were referred to the Scottish Public Sector Ombudsman during 2023/24.

Actions To Improve Service Delivery:

Complaint outcomes are reported to the TVJB Governance Working Group and the TVJB Management Team. Learning outcomes are discussed and actions are agreed to improve service delivery.

100% of Stage 1 complaints were resolved during 2023/24, with the following actions taken to improve service delivery:

- Reminder to staff to make contact at an early stage in the Council Tax banding enquiry/proposal process.
- Reminder to staff, at times of high workload demands, such as the annual self-catering audit, to make contact at an early stage to explain reasons for delay in processing amendments.
